NSW Family Day Care Association is a not-for-profit organisation that is committed to building and maintaining a strong early education and care sector in NSW by providing resources, support and skill development opportunities for family day care services and educators.

NSW Family Day Care Association agrees to use photographs, moving images and related audio recordings (such as film and video) in an ethical manner, consistent with the organisation's policies. The consent to use these photographs or images is granted to NSW Family Day Care Association alone and cannot be transferred to any other person, organisation or agency, without permission from the person whose name and signature appear below.

By signing below, you hereby grant permission to: NSW Family Day Care Association and/or parties designated by NSW Family Day Care Association to use a photographic and audio likeness of myself or my child, and use such photographs, moving images and audio in all forms of media exhibition (including, but not restricted to, television, internet, broadcast and narrowcast) and storage on all forms of media (including, but not restricted to, on hard disk, video disk, camera disk, computer, DVD, USB or cloud storage) by NSW Family Day Care Association for any and all publication and promotional purposes, including advertising, publicity, display, audiovisual, exhibition, commercial or editorial use for a period of seven (7) years from this day.

By signing below, you hereby release NSW Family Day Care Association and any of its associates, affiliates, appointed agencies and designated directors, officers, agents, employees and customers from any claims.
